A Message From Patti

Between late Thursday evening November 24th and Monday morning November 28th a substantial amount of money was removed from Patti's locked office. We are asking if you have any knowledge of any "suspicious" activity you contact Woodstock City Police or Crime Stoppers. The police are involved in the investigation, and advised that I have everyone share what has happened in the hopes that it will bring the person(s) forward. This was the hard earned money fund raising monies by students and it breaks my heart that someone would do something of this nature in this studio. If you have any knowledge please encourage the person (s) to make it right, even if it is anonymous. I would be the first one to help someone in trouble if they had only asked instead of taking. To react out of anger is not the avenue to make this right, but thoughts and prayers to those involved that they may find the right path in life.
